### President's Message

Where did February go? Everyone at the retreat had a great time thanks to dee, Mary Ann and Beverly Riley. All the table runners were beautiful and we had a lot of fun together. Is it lunch time yet?

Lynn Otwell's purse demo made a lot of us want to make one but Kathy Wink was the only one showing her's for show-n-tell.

There was good participation in the 50/50 drawing. Remember this money goes for our Christmas family.

We covered a lot in the business meeting. March 2, 9 a.m. is at Chatham for the paper piecing block. Bring show-n-tell & hand work. All members are invited. On March 9, if you want a pattern of the stocking for the soldiers bring something for tracing a pattern.

Lois Bentley, Joyce Mc Kee, Sandy Plunkard & Sue Kriek have volunteered to chair our October charity/donation quilts. We will make quilts for the soldiers possibly rehab or in the Middle East. They proposed & it was overwhelmingly passed that each member will donate \$5.00 to buy fabrics, for the front, back and any batting plus shipping charges if needed. Most at the meeting have already paid; anyone not there remember to bring \$5.00. I will collect as Teresa is having knee replacement Monday, March 1. Good luck Teresa

Quilt Show-Silent Auction we need a minimum of 3 items from our group. I have a copy of the Quilt Categories if you are interested I will get you a copy.

GUEST REMINDER-Because a non-member abused being a guest the previous board passed a rule stating that members could only bring the same guest two times to meetings and NO guests could participate in a workshop. A walk-in can only attend twice; if we have enough chairs. I've had several members asking and I thought it should be in the newsletter so everyone would know. This is fair for everyone.

### **Board minutes for February 2010**

Report from the board (bored?) meeting can be summed up thusly:

- A) We will have a CPA audit the guild accounts.
- B) The standing rules were amended to read that an individual may belong to only one quilting chapter at a time. This is to curb and/or eliminate people chapter hopping.
- C) Each chapter will be asked to offer suggestions for a charity to be the beneficiary of the quilt show proceeds.
- D) It was suggested that each chapter president be supplied with a list of guild meeting programs.

Respectfully submitted,

Donna Kudner

### **Tips By Robin -Here are the tips for February:**

1. Tape a paper bag on your sewing cabinet to collect all the threads and cloth scraps while you are quilting. Robin

2. Use spray starch to make all seams crisp and set. Audrey

3. Make a 15" design board from a piece of flannel backed tablecloth to take to quilting classes. You can do a block and save it by laying it out on the flannel. Roll it up and it will be ready for you to put together when you reach home. Robin

### **QUILT RETREAT --dee Burns**
