

MULBERRY QUILTERS

Newsletter – June 2009

www.quiltingguildofthevillages.org

The Mulberry Quilters presented 87 quilts to the Homeless Children of Marion County. Thank you all for your commitment to our Charity Project.

We were asked if we would consider doing Publicity for the Quilt Show 2011. The Chapter agreed to do it; however, we now need four members to volunteer. One for chairman and three co-chairs. These people will receive the book from the 2009 Show (from Susan Huber and Dale Angione) and the support of all the Mulberry Chapter members. Please send me an email if you wish to volunteer.
