

Sunset Pointe Quilters

President's Corner

Congratulations to our new officers and thanks to everyone who has worked soooo hard this year to make it such a successful one for Sunset Pointe. Where would we be without our volunteers??? We enter 2008 with by-laws in place, new officers, money in the bank (Thank God!!!) and hands and hearts ready to make a difference as we pursue charitable work, increase our quilting skills (tools and fabric stash) and grow together as women enjoying a common interest. I wish everyone the *Happiest, Merriest, Most wonderful Christmas Season* and a New Year that brings much good health and happiness to you and yours. With a grateful heart,
Barbara
